Gas Transmission Northwest LLC; Notice of Revised Schedule for Environmental Review of the GTN XPress Project

This notice provides the Federal Energy Regulatory Commission staff's revised schedule for completion of the environmental impact statement (EIS) for Gas Transmission Northwest LLC's (GTN) GTN XPress Project. The Notice of Intent issued on January 21, 2022 identified October 14, 2022 as the final EIS issuance date. However, numerous comments filed during the draft EIS comment period require additional time for Commission staff's analysis. As a result, staff has revised the schedule for issuance of the final EIS.

90-day Federal Authorization Decision Deadline¹

November 18, 2022
February 16, 2023

If a schedule change becomes necessary, an additional notice will be provided so that the relevant agencies are kept informed of the project's progress.
